You're in for a treat when Copenhagen Theatre Circle proudly presents the zany romantic comedy *Beyond Therapy* by Christopher Durang, directed by CTC Chairman Jens Blegaa.

Beyond Therapy tells the story of Prudence and Bruce – two young professionals, desperately seeking a stable and romantic relationship with the “help” of their rather unorthodox psychiatrists... and the placing of a personal ad.

Prudence's macho therapist is urging her to be more assertive, while Bruce's wacky female therapist is using a doll to illustrate her take on his situation. Meanwhile, Bruce's male lover is not best pleased by Bruce's desire to date a woman. The result is an off-beat comedy, exploring the complexities of modern love.

Beyond Therapy is the second CTC production with Jens Blegaa at its helm, following the production of [The Importance of Being Earnest](#) in 2013. He has also performed in several CTC plays, most recently [The Dining Room](#).

Join us for this delightful Off Broadway hit that moved successfully to Broadway and now to the CTC.

TRANSPORT

There is limited street parking near the venue, although there is underground parking for 130 cars accessible from the corner of Serridslevvej and Gunnar Nu Hansens Plads, beside the theatre. Be aware, however, that there can be great demand for parking in connection with events in nearby Fælledparken or the National Stadium (Parken). We would therefore recommend taking public transport. The nearest S-train station is Nordhavn. The venue can easily be reached by buses 1A, 14, 40 and 401.

COPENHAGEN THEATRE CIRCLE

This English-speaking group of theatre enthusiasts has been providing Copenhagen audiences with high-quality drama in English for well over 40 years. It presents 2–3 stage productions for the general public each year and hosts play-readings, improvisation courses and all manner of other theatre and acting-related events throughout the season.
